Surrey Memorial is a 611 acute care bed, University of BC Affiliated, regional referral and community teaching hospital that has the busiest emergency in BC. We offer medical, surgical, neonatal intensive care, tertiary, ambulatory, cardiology, rehab, as well as 24/7 emergency services with 158,558 visits annually. We strive to create an environment where you enjoy the work you do, the place where you work, and the people around you. From the financial advisor managing our health care resources, to the IT professional enabling life-saving data, to the nurse and physician on the front line of patient care, everyone plays a role in the care continuum. Together, we create great workplaces.
